“**INTERARCH – SOFIA**”, now a Triennial, is a well established activity of the world architectural society since 1981 and an internationally appreciated contribution to the integrity of the diverse field of architecture of contemporaneity. As a continuation of its traditional philosophy “**INTERARCH 2015**” is projecting the opening of an international forum for architects, designers, theoreticians and students from all over the world, exchanging ideas with leading masters of the profession and profiling a panorama of the tendencies and achievements of contemporary architecture.

WORKING PANNELS

THEORETICAL FORUM AND AUTHORS CONFERENCES OF RENOWNED MASTERS OF THE WORLD ARCHITECTURE AND MEMBERS OF IAA

As a traditional continuation of a more than 30 years of experience and as a core activity of the “**INTREARCH 2015**”, the panel is conceptualized by the topic “**Values in Architecture**” and foresees the invited presentations of most esteemed world architects, including the IAA members, in a provisional list of renowned speakers, such as Fumihiko Maki, Dominique Perrault, Massimiliano Fuksas, Erick van Egeraat, Francisco Serrano, etc.
